

**Karen Shakira Kali, First Term (2011)**  
**Resident Representative**

Karen Shakira Kali is in her first term as Commissioner with the Commission on Common Ownership Communities of Montgomery County and serves on the Annual Forum Committee.

Outside of the CCOC, Karen is a Technical Assistance Specialist at NCB Capital Impact and has focused on urban planning, specifically affordable housing and community development since 2001. Karen provides technical assistance on multiple projects and initiatives concerning housing and community development issues for seniors and people with disabilities. Previously, Karen served as Project Coordinator at the American Planning Association and as Housing Trust Fund Associate for the Housing Trust Fund Project of the Center for Community Change. Karen is a certified urban planner by the American Institute of Certified Planners.
